About me

Graphic Designer with a background in art direction, UI design, visual design and production art, with Coding Bootcamp Certification from the **University of California - San Diego**. I am a team player passionate about creating and developing graphic materials for print and web. Skilled in **Adobe Creative Cloud** - Photoshop, Illustrator, Indesign, Acrobat, Dreamweaver and XD. Recently acquired an array of web development skills including HTML5, CSS3, Javascript, MySQL, MongoDB, Node.js, Express.js, React.js, Command Line, Git and more. Seeking a challenging position with potential for growth and advancement, while staying on the cutting-edge of graphic and web design trends.

Technical Skills

Work Experience

Techaround (2019)

Collaborate with a team of developers to build unique UI/UX for websites and applications such as: **translingua-translations.com** (Dev in progress) | **warriorfoundation.org** (Dev in progress) **braincorp.com/careers**

Ki's Kitchen (2015 - 2019) – **kis-kitchen.com**

Art Director and UI designer responsible for creating, editing and finishing deliverables such as product labels, marketing collateral and digital assets for website and social media.

Creative Circle (2015 - 2019)

As a Freelance Production Artist I have worked on-site for ad agencies such as **The Lambesis Agency** and **Carling Communications**, editing and finishing all types of marketing deliverables (print and web). I have also worked remotely for the **Balboa Park Conservancy** on event campaigns such as **2019 Cinco de Mayo** and **2019 Food Truck Fridays**. On both occasions I was responsible for creating, editing, and finishing marketing materials for print, web and social media.

Gulf Special Services, Inc. (2015 - 2017)

Web/Graphic Designer responsible for improving the company's online presence and creating marketing campaigns and collaterals.

SLA Propaganda - Brazil (2008 - 2012)

Full-time In-house Production Artist responsible for editing and finishing files for all types of media for big brands like **Claro**, **Ministério da Agricultura, Pecuária e Abastecimento** and more.
